**RESPONSE TO ELECTION OF SPECIES REQUIREMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The Examiner has identified the application as containing claims directed to two (2) distinct species, identified as Species A and B. Additionally, the Examiner has indicated that Species A contains two subgroups, identified as Group a and Group b. The Examiner has required the Applicant to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted. The Examiner believes claims 1 and 32 of Species A are generic. Applicant has been advised that a response to this requirement shall include an identification of the species that is elected and a listing of all claims readable thereon.

In response to the Examiner's requirement, Applicant elects **Species A and Group a**, for examination, in which claims 1, 3-5, 9, 10, 26, 32 and 33 are readable. This election is made without traverse.
